2024 Lodge Games

## A Letter from the Chief...

As we gear up for the Lodge Games and Conclave, my excitement knows no bounds. These events mark an important opportunity for our community to come together, foster connections, and showcase our collective talents and passions. I firmly believe that the success of these gatherings hinges on the participation of each and every member of our lodge. With that in mind, I earnestly encourage everyone to attend. Your presence not only enriches the experience for yourself but also for the entire community. Let's seize this chance to network, learn, and grow together. Together, we can make these events truly exceptional, leaving an indelible mark on our shared journey forward.

Yours in Brotherhood,

*Dylan Blackmon*

## SKYUKA LODGE '24

for **CORNERSTONE CONCLAVE**

Our theme for the 2024 Cornerstone Conclave is the "Race to 270," a play on our lodge number which also happens to be the number of electoral votes required to win the American presidency. For this

theme, we will be going all out with our red, white, and blue as we 'run' for the Spirit Award and Lodge of the Year. "We Need You" at the 2024 Cornerstone Conclave to compete in the various quest and ceremonial events to show Section E7 that Skyuka has what it takes to win the "Race to 270."
